To Whom It May Concern,

Yesterday the Town of Ridgeland sent in Immigration Compliance Form for §23-3-1100 as it was unclear whether or not the Town would be required to do so.

Since then, MASC contacted SLED's general counsel on our behalf and has taken the position that the Town does NOT have to send that reporting form in. We operate a holding cell, but do not process or fingerprint suspects at that location; that is performed at the County Detention Center. Therefore, §23-3-1100 does not apply for the Town of Ridgeland.

Please contact me if you have any questions.

Sincerely,

Dennis E. Averkin

Re: Compliance from Unresponsive Municipalities

The towns of Central Pacolet, Cope, Paxville, Ruby, and Williams were unresponsive to SLED's requests for compliance documentation. For that reason, SLED's Office of General Counsel performed due diligence and independent research into these municipalities in order to determine if they were operating as "sanctuary cities" or whether any were prohibited from complying with the relevant statutes. Accordingly, based on SLED's authority to determine the information necessary for the publication of the ICR and the novelty of the process, SLED would confirm that Central Pacolet, Cope, Paxville, Ruby, and Williams are compliant.
